HOBBIES AND INTERESTS

Reading

I'm an avid reader, especially about current affairs and finance.

Motorbike

I really love motorbikes, I have one and I like to go around the countryside and see places weaving through curves.

Stock exchange

I'm really interested in studying listed companies; I study the graphs, doing basilar technical analysis. My approach is generally to understand thoroughly the business and then make the balance sheet analysis.

Policy and economic policy

I am very interested in policy and economic policy, in particular I believe in the possibility of improving the current order of things thanks to the technical knowledge, in general, and economic in particular, being my field of study at the University
